

Bellville ISD Teacher Hiring Range

Minimum	0 years	\$40,000
Mid-Point	10 years	\$43,700
Maximum	20 years	\$50,000

Starting salaries for all newly hired teachers are determined on an individual basis, based upon consideration for creditable years of experience, credentials, area of teaching specialty and the prevailing rate being paid to other teachers with similar experience.

Salary ranges are developed for one year only. Future salaries are based on general pay increases granted by the board. Only employees continuing employment with the district are eligible for such pay increases.
