

2020—2021 Child Nutrition Meal Service FAQ

In School Meals:

Will all students be able to receive free meals during school regardless of their meal status?

Yes, all enrolled students while at school will be able to receive one breakfast in the morning one lunch during the day free of charge.

Will my child still need their student ID card when they go through the lunch line?

Yes, cashiers will still scan all student ID cards when they come through the line.

Will second meals also be free?

No, second meals will be charged for all students and only allowed if the student has money on his/her account.

Will extras or a la carte items also be free?

NO, all extras and a la carte items will still be charged on the students lunch account only if there is money on his/her account.

Will negative balances that a student has on their lunch account go away?

No, all negative balances need to be paid off as soon as possible per the district's meal charge policy [here](#).

How do I put money on my child's account?

All households are encouraged to utilize <https://www.lunchmoneynow.com/lmnbel/splash.php> to place money on meal accounts. Cash will be accepted from students all campuses apart from meal service, to reduce risk of viral transmission in the presence of food.

Drive-Thru Meals:

Will the school offer free meals for remote learners?

Yes, The Child Nutrition Department will provide drive-thru meals (one breakfast and one lunch daily) for remote learners free of charge.

Will students (remote learners) have to be in the car to receive a drive-thru meal?

No, the student does not need to be in the car. A parent or guardian may bring the student's ID card to obtain the meal.

Will the school offer free meals to a child that is non-enrolled in the district?

Yes, the Child Nutrition Department will provide drive through meals (one breakfast and on lunch daily) for any child in the community 18 years or younger free of charge.

Will the non-enrolled child have to be in the car to receive a drive-thru meal?

No. If a child is NOT in the car, then a parent or guardian must show one of the following:

- Official letter/email/electronic school document showing the student is enrolled
- Individual report card
- Attendance record from parent portal, printed or electronic, that includes the child's name or children's names
- Student ID cards
- Birth certificates for children not in school

Where will the drive-thru food be served?

These meals will be distributed at the High School Campus just outside the kitchen door.

What will the procedure be to pick-up the meal(s)?

- Vehicles should enter into the parking lot off Tesch Street between the tennis courts and football stadium. Then pull up next the curb near the kitchen door. The door will be open with a food service worker waiting outside.
- For ENROLLED students, the student &/or parents (guardians) will present their student's ID card. For NON-ENROLLED children not in the car, the parent/guardian will present one of the requested documents for non-enrolled children at the curbside delivery point.
- The cashier will scan the ID card of the enrolled student, verify the non-enrolled child is present in the care or verify the non-enrolled child's document if not present in the car.
- The cashier will ring up the meal(s) accordingly.
